## Once a DP Site, always a DP Site

**Alumni are most welcome to visit their ALMA-MATER .**

Welcome dear Alumni - Our very own students who have learnt their basics in this school, we are sure you have beautiful memories of the Alma mater and would love to refresh them by visiting your school. Even we, as teachers, feel overwhelmed to meet you and it's a proud moment to see our students doing so well in the world outside upholding the values of the institution. IT'S YOUR SCHOOL FOR LIFE BUT YOU WILL ALSO AGREE THAT YOUR JUNIOR STUDENTS AND TEACHERS SHOULD NOT BE DISTURBED WHEN STUDYING SO IT WOULD BE BEST IF YOU HELP YOUR ALMA-MATER ACHIEVE THIS BY FOLLOWING SOME SIMPLE RULES.

### **IT WOULD BE BEST TO VISIT SCHOOL.....**

- 1) **On a nonworking Saturday** when all teachers are relatively free to spend ample time with you.
- 2) If your visit is **on working days**, you could reach the school and ask the PRO-office at the Parents Waiting area to connect you with The Principal or HM and you shall be given permission but it would be required to observe the following :

- i. it would be advisable to come during breaks, .

**And**

- ii. if you are in school during non-break timings then please make sure not to enter classrooms as it disturbs students or teachers.

ALSO:

- 3) You are most welcome for our very own Annual Day & Annual Fete.
- 4) Cell phones are not to be carried during working hours & photographs should not be clicked with students.

\* Please do let us know of your achievements and accomplishments. We would love to be a part of your happiness and it will continue to make us proud. Also you could be an inspiration for your juniors because your achievements are usually displayed on our wall of Alumni.
